The qualification is delivered by a programme coach, live online, where learners will obtain the knowledge, research skills, and reading needed to complete each assignment. Resources have been designed to take learners through each step of the programme in a logical way.

The qualification is assessed through a portfolio of evidence which demonstrates the learner has met the required assessment criteria. The learner is required to prove both their theoretical and practical knowledge within their portfolio of evidence and undertake a minimum of 3 x 1 hour observed live-streamed teaching sessions as part of the programme.

### Entry requirements

Learners must be at least 19 years of age at certification. There are no specific entry requirements and learners do not need to have current teaching practice hours to achieve the qualification.

### Why are we different?

We believe we are the only company in the UK to offer this qualification using a live online, **one to one coaching approach** for busy professionals. We are passionate about creating the best teachers and trainers in the sector and focus on providing the learner with the knowledge and skills needed to be successful in their career, at a time to suit them. This includes the use of the latest technology to make the learning experience engaging, accessible and dynamic.

### The qualification is delivered through:
